Award Manager A92AA

In recognition of international **two-way FT8** amateur radio communication, the FT8 Digital Mode Club (FT8DMC) issues Worked-Bahrain-Special-Callsigns certificates to amateur radio stations of the world. Qualification for the FT8 BSC award is based on an examination by the FT8 BSC Award Manager, from QSOs that the applicant has made with minimum 5 contacts with amateur radio stations using the special Prefix A91. All contacts must be made from the same country.
