

FT8 WGA RULES (Band endorsements not available)

Award Manager F1ULQ

In recognition of international **two-way FT8** amateur radio communication, the FT8 Digital Mode Club (FT8DMC) issues Worked-GRID-Award certificates to amateur radio stations and SWL of the world. Qualification for the FT8 WGA award is based on an examination by the FT8 WGA Award Manager. The applicant has to prove that he has made contact with amateur radio stations from 100 different Grid Locators. **Following levels available: 100, 200, 300, 400, 500, 750, 1000, 1500 and 2000 different Grid Locators worked.**All contacts must be made from the same country (DXCC-entity).
