

FT8 WUGSA RULES

Award Manager 9K2OW

In recognition of international two-way FT8 amateur radio communication, the FT8 Digital Mode Club (FT8DMC) issues Worked-US-Grid-Square-Award certificates to amateur radio stations and SWL of the world. Qualification for the FT8 WUGSA award is based on an examination by the FT8 WUGSA Award Manager. The applicant has to prove that he has made contact with amateur radio stations from minimum 25 different US Grid Locators.

All contacts must be made from the same country (DXCC-entity)

Following levels available: 25,50,75,100,150,200,300 USA Grid Locators worked.
